

# Arethusa Sports Academy

## Opening 2020

This innovative program is designed to develop the academic, social, emotional and physical skills of athletic students. This boutique opportunity will continue to provide our students with highly individualised learning as per Arethusa's commitment. Students will continue to learn how to be healthy, safe and active citizens in the 21st century. Content will continue to be drawn from the Australian Curriculum but will be delivered through a sporting lens. Learning will be more hands-on, and students will be given the chance to engage in a range of individual and team sports.

Students accepted into the program do not necessarily need to be operating at an elite level. We are looking for students passionate about sport, who potentially see health and physical education as a future source of employment as well as students who learn better with a more active and sports-focused program.

Initially the Sports Academy will be for students from 7-10 but we anticipate that in 2021 this will include year 11 students and then year 12s in 2022.

### **Sports Academy Sessions include:**

- Technical and Tactical Skill development
- Health and Wellbeing Sessions
- Fitness testing and analysis
- Team Building Sessions
- Training Sessions run by elite sporting bodies
- Exploration of the latest sporting technology

### **Conditions of Enrolment**

When offered a position into the Sports Academy, the student agrees to:

- Conduct themselves in a manner that align with the expectations of both Arethusa College and the Arethusa Sports Academy
- Practice good sportsmanship on and off the field with coaches, players, teammates and staff
- Active engagement with all learning areas

### **Levies**

If offered a position into the Sports Academy there will be a levy of \$350 per term, which includes

- Individual fitness testing
- Individual Strength and Conditioning Program
- Guest speakers and trainers
- Stationery and learning resources

### **Application Process**

- Complete and return Expression of Interest Form with Arethusa Enrolment Application
- Student Interview with Principal
- Letter of offer, if accepted
