

## **About the business**

Arethusa College is an independent, co-educational school catering for students from Year 7 to Year 12. We are accredited as a Special Assistance School with three campuses located at Deception Bay, Spring Hill and Windsor. We believe in providing an alternative approach to education for disengaged students. The College provides education which is innovative and meets the needs of the whole student, some of whom have learning difficulties and disabilities.

## **About the role**

An exciting opportunity has become available for a suitably qualified and experienced Educational Support Officer to join our team at our Spring Hill Campus either full time, part time or relief.

The applicant will demonstrate a passion for education and the ability to support the delivery of innovative learning opportunities for students who have disengaged from mainstream school education. The role includes working alongside teachers with the planning and delivery of curriculum, and programs such as Literacy, Numeracy and Personal Development. An understanding of strategies for behaviour management and supporting students with learning difficulties is preferable.

## **Skills and experience**

The successful applicant will have experience, or a genuine desire to work with disengaged young people in an educational setting.

It is preferable but not essential, for the applicant to hold a Certificate III in Education Support.

The applicant will be a team player, capable and competent in a support role, and be able to work in a Christian environment and participate within the Christian ethos of the College. The applicant will hold, or be able to obtain, a Working With Children Card (Blue Card).
